

ASUS G73JH-BST7 Back Panel Replacement

This guide will advise the operator on the removal of the back panel on the ASUS G73JH-BST7.

Written By: Deven Rodgers

INTRODUCTION

If you suspect your **ASUS G73JH-BST7**, or **ASUS G73 Gaming Series Laptop**, is malfunctioning because of hardware issues, you will need to remove the back panel to investigate.

Make sure to power down your device before you begin.

TOOLS:

- [Phillips #00 Screwdriver](#) (1)
-

Step 1 — Back Panel

- With the bottom of the computer facing up, remove the two 7.1 mm screws using a Phillips #00 screwdriver.

Step 2

- Carefully pry the panel away from the computer, by lifting with a finger.
- There is a small tab where a finger will fit to lift the panel away from the computer.

To reassemble your device, follow these instructions in reverse order.
