

# Jura Capresso IMPRESSA J5 opening procedure

Instructions on how to open a Jura Impressa J5 coffee machine

Written By: VauWeh

---

## INTRODUCTION

Follow this guide to open the casing of a Jura J5.

---

### TOOLS:

- [Oval Drive Bit](#) (1)
  - [T15 Torx Screwdriver](#) (1)
  - [iFixit Opening Tool](#) (1)
-

## Step 1 — Jura Capresso IMPRESSA J5 opening procedure

**⚠️ Unplug the power cord!**

- Remove the water tank and the drip tray. Remove all coffee beans from the storage container.

## Step 2

- Flip open the lid of the bean compartment.
- Unscrew the two slotted screws inside the bean compartment. The screws have a rubber washer and will not come out completely.
- Remove the bean compartment.

### Step 3

- The top cover is fastened with oval head screws. Unscrew them.
- i** These screws have an oval head that makes them look like rivets (picture 2). You need to use a special bit - [also available at iFixit](#) - for their removal. [Here a DIY guide](#). If the right bit is not available, it could be done with a pair of needle nose pliers. Jura wants to keep us out of our own machines!!!

### Step 4

- Also remove the two oval head screws underneath the ground coffee compartment lid.

## Step 5

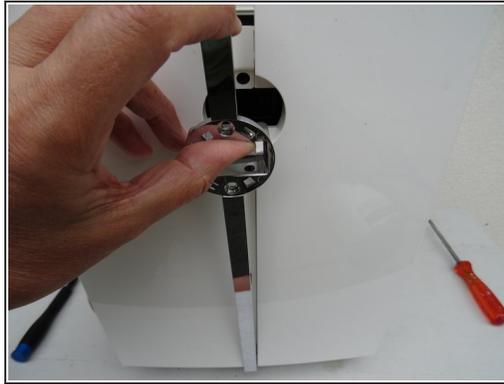

- Now you can pry up the top cover all around.
- Remove the top cover. This often requires a little force.
- ☑ Use plastic tools to avoid scratching your device.

## Step 6

- Turn the device with the back facing you.
- Turn the Jura label a few degrees counterclockwise. If it's hard to do, use a small suction cup.
- Remove the Jura label.

## Step 7

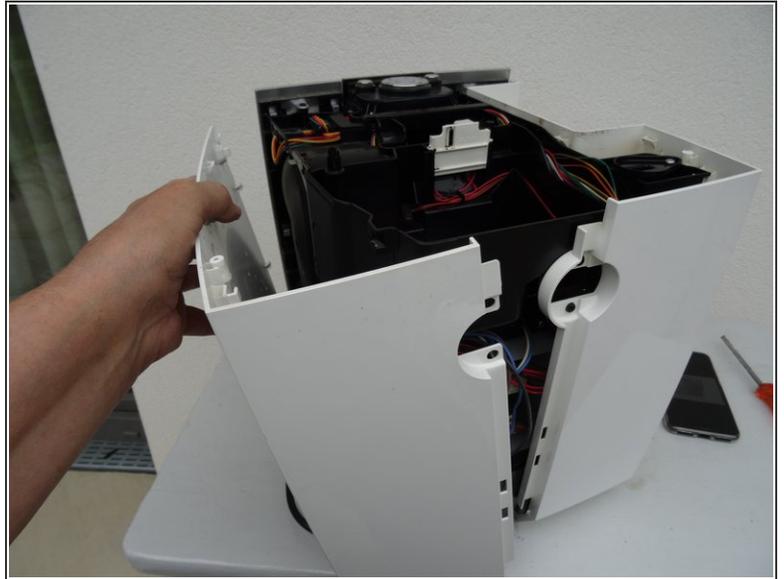

- Underneath the label you will find two Torx T15 screws. Remove them.
- Carefully pull the top of the chrome cover slightly outwards, then push it down and put it aside.

## Step 8

- Remove the Torx T15 screw on the side panel with the water tank.

## Step 9

- Pull the right side panel slightly towards the back.
- Remove the side panel.

## Step 10

- Pull the left side panel slightly towards the back and remove it.

Follow the steps in reverse order to reassemble your device.
