

Sony Vaio VGN-S260 Keyboard Replacement

Written By: Jeffrey Bryan

INTRODUCTION

How to take out the Sony Vaio VGN-S260 keyboard

TOOLS:

- [Phillips #00 Screwdriver](#) (1)
 - [Spudger](#) (1)
-

Step 1 — Battery

- Flip the laptop over so the Vaio logo is facing down.
- Locate the battery at the top and Find the release and unlock slides on the battery.
- Slide the unlock tab to the unlock position.
- Slide the release tab in the direction of the arrow, i.e. towards the unlock tab.

Step 2

- With the tabs still in the unlock position, slide the battery away from the main case.

Step 3 — Keyboard

- Flip the computer over so the Vaio logo is facedown.
- Unscrew the 2 screws next to the battery.

Step 4

- Flip the computer over again so the Vaio logo is face up.
- Open the lid.

Step 5

- Press down on the outer gray shell around the keyboard.
 - Use the spudger to gently lift keyboard.
- ⚠ Do not pull up the keyboard too far as it is attached to a ribbon underneath.

Step 6

- Lift up lever underneath the ribbon to detach the keyboard.

To reassemble your device, follow these instructions in reverse order.
