INTRODUCTION

Make sure your device is turned off before beginning this process.

Step 1 — Back Cover Removal

- Pry the back cover off of the phone with your fingernail. There is a notch located at the bottom of the phone for improved leverage.

Step 2 — Battery Removal

- The battery is the large black rectangle towards the bottom half of the phone.
- There is a semi-circular notch at the bottom edge of the battery. Press against and up on the battery to pop it out.

To reassemble your device, follow these instructions in reverse order.
